

Carus Preschool Fundraising Auction Donation Sheet

16680 S Spangler Rd Beaver Creek, OR 97004

Dear Business,

As a nonprofit, self-supporting preschool, our parents are actively involved in fundraising efforts. This year is our 36th year of operation and we are bringing back our annual auction which will occur on February 22th, 2020. The auction is our preschool's primary fundraiser. We offer tuition scholarships to families in need, update classroom technology, and operate a productive preschool. We hope that your business will seriously consider our preschool for a donation of products or services. Your donation would help make our auction a success. Donations are tax deductible and most appreciated. Thank you.
