

Carus Preschool

P.O Box 974
Beavercreek, OR 97004

Dear Community Partner,

We would greatly appreciate your support by donating a service or an item for our annual Fundraising Dinner and Auction on Saturday, March 9th, 2024. This year we are Celebrating our 40th year in educating our young minds in our community. We want this celebration to be bigger and better than ever! This celebration is our most important fundraiser and community builder of the year. With over 200+ community members in attendance, your generosity will be witnessed by many, and is a wonderful way to show your support.

Early enrichment programs like Carus Preschool are part of a 20-year study of how the impact of early education is for our community. Studies show that it reduces future crime, homelessness and less incriminations. Children that attend preschool have shown higher academic development in early language, literacy, and math. Children who attend preschool have a higher Highschool graduation and College enrollment rate. Preschool also provides opportunity for early assessments for intervention programs and school readiness.

Money raised at this event helps fund scholarships for students that might not be able to attend preschool, purchase school supplies, educational field trips, nutritional snacks, and more. We are really hoping to be able to add a bus service to provide an opportunity for all students to attend field trips.

We would greatly appreciate any monetary or auction item donation that you offer. In acknowledgement of your generosity we will recognize your contribution in our auction program. In addition, any donor with a contribution worth \$250 or more will receive two complimentary tickets to this year's Fiesta. Please be sure to contact us for available sponsorship opportunities.

We are requesting that your gift be picked up or received by February 2nd, 2024, so then we can include your business in our event catalog.

Thank you in advance for your generosity and consideration in partnering with us in raising funds for this wonderful school and amazing start to these young children's future.

Warmest regards,

Teacher Cassidy
